## Description

A heavy duty cast iron morticer on a cabinet stand with a maximum capacity of 25mm. The head moves smoothly on a solid rack and dovetail column, with gib strips that can be easily adjusted for accuracy and smoothness in use. Work is held securely in a quick lock clamp and the powerful 1hp induction motor provides ample power for all applications. A rise and fall handle is positionable for maximum leverage.

## Features

- Solid cast iron table and work clamp
- Ratchet rise and fall handle
- Adjustable gib strips for accuracy
- Cabinet stand included
- Vertical and sideways movement stops
- Max. Chisel Stroke - 210mm
